

Assurance® Flextril™ 231

Supported Nitrile, PolyKor® Cut Resistant
Blended Liner with MicroFoam Grip - 67 Mil

- Double-dipped nitrile construction provides ultra-high resistance to chemicals and irritants
- Microfoam nitrile finish disperses liquids and oils away from the handling surfaces on contact for enhanced grip
- PolyKor® blended liner is lightweight and provides comfortable cut resistance
- QR code on the back of the glove provides convenient protection/performance data with one scan of a phone or tablet camera
- Silicone free for smudge free handling of painted, coated or finished surfaces
- Latex free for a skin safe wear

Technical Data

Color	Blue
Sizes Available	S-2XL
Polymer	Nitrile
Lining	HPPE
Dip	Double
Length	13"
Cuff	Straight
Grip	MicroFoam
Construction	, Double-Layer, Supported, Waterproof
Case Dimensions (in)	18.11 x 13.78 x 9.45
Case Weight (lbs)	23.77
Packed	72 Pair/Case
Packaging	Bulk Pack
Certifications	21 CFR, Silicone Free, Latex Free
Country of Origin	China

Performance Data

Cut Level	A3
EN 374	JKMOPT
EN 388	4X32CF
