### Fibre-Metal® Tigerhood™ Classic

Thermoplastic Lift Front Welding Helmet with Quick-Lok® Mounting Cups

- 2" x 4 1/4" lens provides a compact viewing area ideal for confined-space welding applications
- Lift-front design allows quick inspection and grinding tasks without removing the headgear
- Thermoplastic construction delivers lightweight durability and heat resistance in demanding welding environments
- Quick-Lok® mounting cups allow the welding helmet to be mounted directly to compatible slotted hard hats
- Shade 10 lens provides dependable protection from welding arc glare for improved visibility and safety
