Fibre-Metal® Tigerhood™ Classic 990 Noryl Welding Helmet with Quick-Lok® Mounting Cups

- Quick-Lok® mounting cups allow the welding helmet to be mounted directly to compatible slotted hard hats
- 4-1/2" x 5-1/4" lens offers an expanded field of view for greater visibility and productivity
- Noryl material construction delivers excellent durability and dimensional stability in high-heat environments
- Fixed-front design maintains consistent protection and a clear viewing position during welding tasks
- Shade 10 lens provides dependable protection from welding arc glare for improved visibility and safety
