

PIP®

Dual Fan - Lithium-Ion Powered for GORE-TEX® PYRAD® hoods

- Dual lithium-ion unit ensures reliable ventilation with reduced noise and direct airflow
- Attachment-ready design snaps easily into GORE-TEX® PYRAD® hoods only
- Variable-speed fan (5-30 CFM) delivers adjustable airflow around head and face
- Optimized airflow keeps workers cool and comfortable while wearing arc flash hood
- Continuous air circulation reduces CO₂ buildup for comfort and alertness
- Lightweight (1 lb 2 oz), compact design reduces bulk and improves mobility
- 8-24 hour battery life provides long-lasting operation per charge
- 500 cycle battery life delivers reliable performance over time
- Battery and charger included
- Made in the USA

Performance Data

ARC Rating	cal/cm2
------------	---------

Care Instructions

This product is part of an arc flash PPE system that helps maintain adequate fresh airflow in the hood. Always cover the vent with fabric that is equal to or greater than the cal/cm² rating of the arc flash PPE ensemble, this unit alone does not offer protection against an arc flash thermal event. Use only the designated charger for the unit.
