Fibre-Metal® Tigerhood™ Classic

Thermoplastic Lift Front Welding Helmet with
Speedy Loop - Bulk

- 2" x 4 1/4" lens provides a compact viewing area ideal for confined-space welding applications
- Thermoplastic construction delivers lightweight durability and heat resistance in demanding welding environments
- Lift-front design allows quick inspection and grinding tasks without removing the headgear
- Shade 10 lens provides dependable protection from welding arc glare for improved visibility and safety
- Speedy-Loop quick attach/detach hard hat mounting solution for workers frequently switching between welding and non-welding tasks
