Miller®

Flame-Resistant Kevlar®/Nomex® Full-Body Welding Harness with 5 Points of Adjustment, Back D-Ring and Mating Chest & Leg Buckles

- Flame-retardant Nomex® webbing that protects against weld splatter and sparks
- Kevlar® core reinforcement that enhances strength and heat resistance
- Back D-ring and sub-pelvic strap that ensures secure fall protection
- Friction shoulder strap adjustment allows for easy customization and a snug fit
- Mating buckle chest and leg straps provide quick and secure fastening
- Belt loops with pull-up adjustment offer ergonomic comfort and support
- ASTM salt spray test-approved hardware for corrosion resistance and long-lasting durability
- Contrasting webbing colors make inspection easier
- Meets ASTM F887 Arc Test requirements rated for arc exposure
